

This CD contains 105 book modules, 30 lexicons, 12 dictionaries, 505 pictures (Bible atlas, maps, photos, charts and illustrations) and audio book Ecclesiastes in Hebrew in MP3 format. Program Davar3 is localised to 12 languages and help file is in English, Czech, Portuguese and Russian.

When CD is started, you can select:

RUN - Davar3 is started directly from CD (nothing is installed, except fonts), or

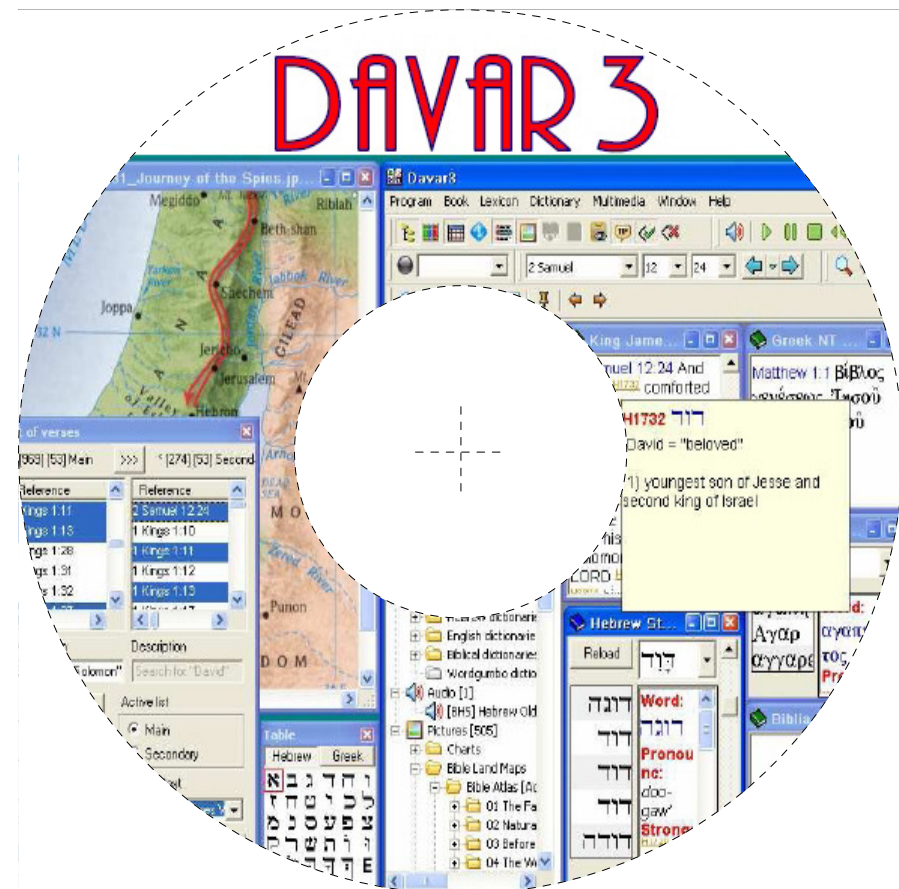

INSTALL - Davar3 installation will be started and you can select modules, which to install

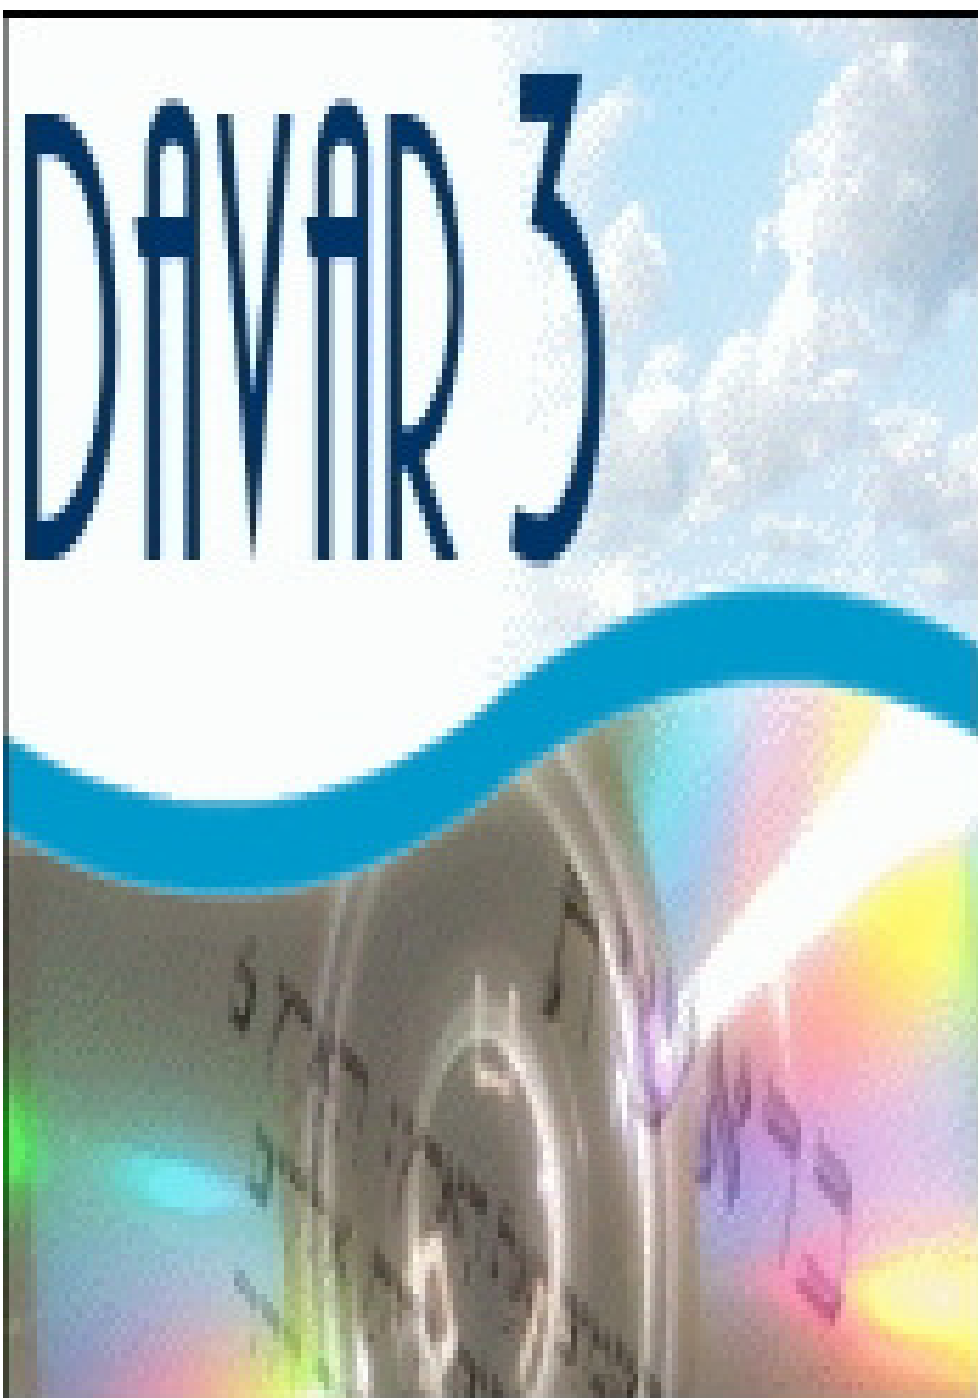

If you start Davar3, installed on hard drive, and this CD is inserted in drive, program will use all modules presented on CD plus modules installed on hard drive. You can copy new versions of modules to hard drive - in this case new files will be preferred.

You can create any number of copies of this CD and freely share. Selling of this CD is prohibited (except cost of media).

DAVAR 3

DAVAR 3

DAVAR 3
 SCRIPTURE STUDY TOOL

The screenshot displays the Davar3 software interface, which is designed for Bible study. The main window shows the text of 2 Samuel 12:24: "David was comforted, and he went in to her, and she bore him a son. His name was called Jedaiar, because he was born in the day of David's distress." A tooltip for the Hebrew word "דָּוִד" (David) is shown, indicating its meaning as "beloved" and "youngest son of Jesse and second king of Israel".

Other visible windows include:

- Map:** A geographical map of the region around Jerusalem, showing the Mediterranean Sea, the Jordan River, and the Valley of the Kings.
- List of verses:** A list of verses from the Bible, with 2 Samuel 12:24 selected.
- Hebrew Lexicon:** A window showing the Hebrew word "דָּוִד" and its meaning in Hebrew.
- Hebrew-English Dictionary:** A window showing the Hebrew word "דָּוִד" and its meaning in English, including the Strong's number 1117.
